A. Excel Academy RI FY24 Audit Approval

A. Solomon noted that this is the second Excel RI annual audit, and it is encouraging to observe the strength of the team and organization.

N. Reilly, representing the AAF team, noted that each entity received a clean audit, with no findings and no auditor-proposed adjustments. The school entities both show positive changes in net assets: XLMA: +\$2.42M, XLRI: +\$13K. Friends has a change in unrestricted net assets of +\$1.18M. Without the grants from Friends, XLRI would have had an operating loss of about \$930K. N. Reilly commended Excel's Finance Team for their great work and noted that the audit process ran very smoothly.

N. Reilly presented the overall results of the Excel RI audit that were provided to the Boards in advance. As was noted previously, Excel RI received a clean audit, with no findings and no auditor-proposed adjustments. N. Reilly also presented the financial statements and assets and liabilities for Excel RI and summarized the audit documents that were provided to the Board in advance.

The Board members asked clarifying questions which N. Reilly answered. The Board thanked the audit team and Excel's Finance Team for their excellent work.

B. Board member discussion with AAF auditors, without management staff present

N. Reilly facilitated a discussion with the Board without management staff present. The Board had an opportunity to ask the auditors additional questions about the performance of each entity and staff. No concerns or issues were identified.

C. Heng made a motion to accept the FY24 Excel Academy RI audit as presented.
